FYI –the Bad River Tribal Chairperson has been provided a copy of the Final Compliance plan. Bharat indicated I should send this on Tinka's behalf.

Jennifer and I will be wrapping up the website this morning. The plan will be posted at <http://www.epa.gov/region5/water/npdestek/badriverband/> around 3:00 this afternoon, prior to the 4:00 press release.

Subject: Final CWA Compliance Plan

Dear Chairman Wiggins: On behalf of Ms. Tinka Hyde, Water Division Director, I am emailing you the Final Compliance Plan to resolve Clean Water Act (CWA) violations at the Bad River Waste Water Treatment Plant (WWTP), the Diaperville Stabilization Lagoon, and the Birch Hill Stabilization Lagoon. Please see the attached Plan.

EPA looks forward to working with you to ensure that the WWTP and stabilization lagoon facilities are operated and maintained in accordance with CWA requirements. If you or your staff have questions concerning the Compliance Plan, please contact Dean Maraldo at (312) 353-2098. Legal inquiries should be directed to Barbara Wester, Associate Regional Counsel, at (312)353-8514.

Sincerely,

Barbara R. VanTil
